

## IMPORTANT NOTICE

District Policy, DJD, states that individuals performing official District business in their private automobiles will be reimbursed for their travel in accordance with the rates and procedures as specified by Section 25-3-41, Mississippi Code of 1972.

Section 25-3-41, Mississippi Code of 1972, mandates that employees traveling on official business in their private automobiles will be reimbursed at the same rate allowable to federal employees using privately owned vehicles for official federal government travel.

The federal government, through the General Services Administration (GSA), has set the rate of reimbursement to .51 cents per mile, effective January 1, 2011. Accordingly, school district employees will be reimbursed at that same rate in compliance with District policy.
