

Biloxi Public Schools
"Excellence...From All...For All"

FOREWORD

It is the responsibility of parents and students to familiarize themselves with this Student Handbook, approved by the School Board, including official district policies with which you should be acquainted.

The handbook has been prepared by the staff of the Biloxi Public Schools as a guideline to procedures, policies, and practices governing the operation of our schools and the behavior of our students. Biloxi administrators and instructional staff members believe that it will help both parents and students to be properly informed about matters that concern all of us. Academic and extracurricular opportunities, routine day-to-day events and activities, disciplinary rules and consequences of misbehavior, accreditation requirements and special programs and services – all are part of this handbook, together with many other concerns which are clearly explained in the publication.

The School Board and the administration of the Biloxi Public School District work closely together to establish sound and reasonable goals for our schools, to anticipate district needs, and to provide an environment conducive to learning. The primary purpose of providing this handbook is to help make your school experiences in this environment more satisfying, because it will tell you what you need to know and what you need to do in order to make this year both pleasant and successful.

SPECIAL NOTES

A Letter to Parents/Guardians

The Biloxi Public School District has and intends to continue a zero tolerance policy for weapons and drugs on campus. This policy has been very effective in curtailing inappropriate behavior on campus and maintaining a safe atmosphere. In order that you may understand how serious the District is about this issue, this letter is being written to all parents/guardians to be discussed with their children.

"Zero tolerance" means that any child with a weapon will be recommended by the principal for expulsion by the School Board. A weapon is any item which can inflict harm, no matter how minor. Therefore, it does not matter that the knife is small or that it can inflict harm only with force. The word weapon may also include fake guns, toy guns, or knives, because fear of injury in a school is simply unacceptable. "Zero Tolerance" also applies to drugs as covered in the student handbook. (See "Student Conduct.")

Zero tolerance applies to everyone. It does not matter that your child is in elementary school or has other special circumstances. It does not matter that the weapon was mistakenly brought to school or something the child found on the way to school. It does not matter that it was never intended to do harm. This policy is very important to your child's education. Therefore, if you suspect that your child is unable to understand this rule, then you should check his/her book bags and pockets before leaving for school.

The Biloxi School District is proud of its students and their behavior; however, it believes that even one referral for a weapon is one too many. We know that with your help we can continue to provide an excellent and safe environment for all children in this district.

Prevention of School Violence Act - Copies of the Prevention of School Violence Act of 1994 are included in this handbook. The Act provides for penalties as specified related to weapons, assaults, drugs, and other matters of particular concern to parents, students, school employees, or other persons. Parents and students are responsible for compliance with the law and for familiarizing themselves with the consequences of violation of the law.

Students and News Media - The school district will publish the name and/or picture of a student in school publications or school-related articles or include students in other school-related news media programs unless prior requests have been made by a student's parent/guardian for exclusion of his/her child's name or picture from such publications or news media programs.

Emergency Operations - Because there are a number of school districts in Harrison County, parents and students need to be aware that announcements related to the dismissal or closing of the Biloxi Public Schools should not be confused with announcements related to the Harrison County Schools, which are in a separate district. Parents should listen to the local radio or television stations for announcements from the superintendent's office.

Absences/Tardies - It is extremely important for every student and parent to read the district's policies related to absences. (See "Attendance" policy and "Tardies.") Students should make every effort to be present every day and not to be tardy to school or to class. Any questions related to absences or tardies should be referred to the principal immediately following enrollment. Excessive absences, tardies, and early check-outs will be reported to the school attendance officer.

Harassment - Harassment of or by employees or students, in person or through written, telephone, or other communications, including but not limited to those acts which are sexual in nature, attempts to intimidate or harangue employees or students, abusive, vulgar, or profane language directed toward an employee or student, physical threat or assault, etc., will not be tolerated by the Biloxi Public School District. In the event that such harassment occurs, the district will take appropriate action, including but not limited to filing of official complaints, seeking legal and law enforcement assistance, pursuing prosecution to the fullest extent permissible under the law, and termination of employment. This policy similarly applies to non-employee volunteers who work subject to the control of school authorities. Further, inappropriate relationships between employees and students are prohibited whether consensual or nonconsensual. Inappropriate relationships between employees and students as defined by legal code shall be prosecuted to the full extent of the law. Harassment and/or abuse toward teachers via social networking may be punishable by law.

Bullying – The discipline policies and procedures must recognize the fundamental right of every student to take “reasonable actions” as may be necessary to defend himself or herself from an attack by another student who has evidenced menacing or threatening behavior through bullying or harassing. Furthermore, the Biloxi School District defines “reasonable action” as promptly reporting the behavior to a teacher, principal, counselor, or other school employee when subjected to bullying or harassing behavior. Ref: SB1015; Miss. Code Ann. § 37-7-301 (e)

ANNUAL REPORT TO ALL PARENTS

The Federal Environmental Protection Agency (EPA) requires that on an annual basis each school district notify every parent and employee of the status of any asbestos in the school.

The Biloxi Public Schools completed the required re-inspection report. There was no major change in the report. A copy of this report is on file in the school administration office and is available to the public for review. This report will serve as the annual notification by the Biloxi Public School District.

STUDENT ARRIVAL AND DEPARTURE TIME

Students are not to arrive on the school campus prior to the beginning of the school day when teachers report for duty. The school will not assume responsibility for any students arriving on school grounds prior to stated time unless they are transported by school bus. Continuous disregard for this procedure may be reported to the Biloxi Police Department. Students are to leave the school campus at the end of the school day unless they are participating in a supervised school activity and are under the direct supervision of a teacher. The school will not assume responsibility for any child remaining on campus after the end of the school day without approval.

VISITORS

1. Visitors are always welcome but must first obtain a pass from the school receptionist.
2. Visitors who fail to secure written permission from the pupil accounting office to be on campus may be referred to police officials.
3. Students shall not bring small children to school, and small children shall not be brought to school during classroom observation.
4. Appropriate attire is required.
5. Please disengage or mute all electronic devices, including cellular phones, in school buildings.
6. After first week of school parents cannot walk students to class in the morning (safety issue).

PARENT CONFERENCES

Parent-teacher conferences should be arranged by appointment for the time set aside each day following the close of school or during the teacher's consultation period.

LEAVING THE CAMPUS

A student who leaves the school campus at any time must obtain permission from the principal or his/her designee and meet the requirements established under the check-out policy. Students who leave without permission may be reported to the local police department.

Biloxi Junior High School is a closed campus. Students may not leave the campus for lunch unless signed out by parents or legal guardians on a daily basis. Any missed instructional time will be considered an unexcused absence.

ADMISSIONS

1. In accordance with the laws of the State of Mississippi, in order to be admitted to kindergarten, students must be 5 years of age on or before September 1 of the current school year. First grade students must be 6 years of age on or before September 1 of the current school year. Certificates of Immunization and Vaccination are required upon entering school. (See Section on Immunizations and Vaccinations.) This affects all students in grades K-12.

"Compulsory-school-age child" means a child who has attained or will attain the age of six (6) years on or before September 1 of the calendar year and who has not attained the age of seventeen (17) years on or before September 1 of the calendar year; and shall include any child who has attained or will attain the age of five (5) years on or before September 1 and has enrolled in a full-day public school kindergarten program. Provided, however, that the parent or guardian of any child enrolled in a full-day public school kindergarten program shall be allowed to disenroll the child from the program on a one-time basis, and such child shall not be deemed a compulsory-school-age child until the child attains the age of six (6) years.

2. Kindergarten students must be potty trained before entering unless medical documentation is presented.
3. **A certified birth certificate** or documentation as permitted by law must be presented upon admission. The birth certificate must be from the Bureau of Vital Statistics or from the State Department for students born overseas. Hospital records, baptismal records, etc., will not be acceptable. The principal or his/her designee must verify the birth certificate. Telephone calls are not acceptable.

The principal shall require that a U.S. postal money order to the Bureau of Vital Statistics in the required amount be deposited for students who are unable to present a certified birth certificate upon admission, and the student will be enrolled on a temporary basis until the certified birth certificate is received by the school. Temporary enrollment will preclude official recording or release of grades.

4. Student must present an up-to-date immunization record. (See statement about Immunizations and Vaccinations following.)
5. If a student is transferring into a Biloxi school from a school accredited by a state or regional accrediting agency, an official transcript mailed directly from the office of the school previously attended will be required. A report card or transfer papers from the previous school attended may be used for temporary class placement.
6. Students transferring into a Biloxi school from a non-accredited school or home schooling must be given appropriate placement tests (grades K-8) and term tests (grades 9 - 12) as determined by school officials. (See "Awarding of Academic Credit.")
7. Upon completion of the registration process, the student may begin attendance the following day. (Note: Students are not permitted to register for school two days prior to the first day of school nor the very first day of school.)
8. Students moving into Biloxi who have already completed the current school year at another school will not be permitted to enroll for the remainder of Biloxi's current school year.
9. In accordance with Section 63-1-10, Mississippi Code of 1972, as amended, any applicant for a driver's license less than eighteen years of age must submit with his or her license application documentation from the appropriate school authority that the applicant is a full-time student in the Biloxi Schools. These forms can be obtained in the attendance office. The student should fill out the top of the form, Name, Address, Date of Birth, Age, Social Security Number, and the Name of School being attended. This must be printed in ink. The form will then be verified for school attendance, signed by the principal's designee and notarized.
10. Biloxi Junior High School students are not allowed to drive to school.

TESTING OF STUDENTS ENTERING BILOXI PUBLIC SCHOOLS FROM NON-ACCREDITED PLACEMENT/HOME SCHOOLING

Students in grades 1-8 will be evaluated for placement with the Mini-Battery of Achievement (Woodstock-McGraw – Werder).

Parents of students entering Biloxi Public Schools from an unaccredited placement, i.e., placement not accredited by a state accrediting agency or by the Southern Association of Colleges and Schools (AdvancED), should contact the Director of Student Services, who is responsible for testing such students.

After all testing is completed, the student will see the principal/counselor to construct his/her schedule. No student will be scheduled or attend class until all testing for credit has been completed.

Because the number of tests the student must take is based on the number of credits the student is attempting to earn, the testing process may take several days to complete.

Questions on this topic may be directed to the Director of Student Services, Biloxi Public Schools (228) 374-1810.

VERIFICATION OF RESIDENCE -- REQUIREMENTS

As a result of the Residency Verification Procedure adopted as a policy of the Mississippi Board of Education on April 20, 1990, each parent or legal guardian or other adult with whom a student lives must provide to the school administration the following documents:

1. A copy of two of the documents listed below will be required to verify residency. One document must be a current utility bill, and no post office box address will be acceptable. Proofs of residency must reflect a street address or designated road address. All documents must be for present residence only; documents for rental or other commercial property will not be acceptable. Motel/hotel addresses will not be acceptable. Documents must be approved by the Director of Student Services.
 - a. Current Driver's License
 - b. Apartment or home lease agreement
 - c. Mortgage documents or property deed
 - d. Current Voter Identification/address required
 - e. Keesler Air Force Base Housing assignment
 - f. Current Utility bill
 - g. Automobile Registration

All documents must be for current residence only. Your child may not attend school until your residence has been verified.

Should the school district receive a complaint regarding the residence of the student, it may take further steps to verify your resident including, but not limited to, follow up visits by school officials or the school attendance officer.

2. If you are the legal guardian/custodian of the student, you must also provide a document titled "Letters of Guardianship" or a custodial court order issued by a judge appointing you as guardian.
NOTE: Any legal guardianship formed for the purpose of establishing residency for school district purposes shall not be recognized by the Board. (Legal reference: Mississippi Code Ann. Section 37-15-31.)
3. If you fail to provide the necessary documentation, your children will not be allowed to attend schools in the Biloxi Public School District. If you cannot meet the requirements for residency, you must meet with the superintendent or his designee to determine whether your children will be eligible for enrollment. No temporary enrollment will be processed.

4. If the Biloxi Public School District receives a complaint regarding the residence of a student, the district is required to take action to further verify residence, including but not limited to follow-up visits to the resident's address by school officials.

CONTACTING PARENTS

It is the parent's/guardian's responsibility to provide accurate and current telephone numbers which will permit school personnel to reach a responsible adult at all times. The school must be informed of any changes in telephone numbers and addresses. Parents/guardians are advised that if a responsible adult cannot be reached after good faith efforts by school personnel, Harrison County Social Services and/or the District's Security Officer will be contacted.

Parents with primary custody shall complete the student locator card. In the event that the parent with primary custody and those on the locator card cannot be found in any emergency, the District may call the non-custodial parent.

IMMUNIZATIONS AND VACCINATIONS

It is unlawful for any child to attend school without first meeting the State of Mississippi's vaccination requirements for diphtheria, whooping cough, tetanus, measles, mumps, rubella, polio, hepatitis B and varicella and completing the entire series within ninety (90) days. Every student in kindergarten through Grade 12 must present a certificate of immunization compliance from his/her doctor or from the health department. This certificate of compliance must be presented in order to attend school, even though all shot records are now up-to-date on school records.

In order to secure this certificate of compliance, it will be necessary for the student to go to the Harrison County Health Department, the office of his/her family physician, or Keesler Hospital (for military dependents), taking with him/her all official shot records. Before a child can register, the CERTIFICATE OF COMPLIANCE must be presented. The validation of this certificate will become a permanent part of the student's records and will be valid through grade 12. REMEMBER: No student may register or attend school until this certificate of compliance has been received by the school. If the doctor signs the certificate indicating that other doses are necessary, the student will be given ninety (90) days to complete the required immunizations; if they are not completed at the end of ninety (90) days, the child by law must be suspended until compliance is achieved (suspension will begin immediately after the 90-day period).

MS SCHOOL ENTRY IMMUNIZATION REQUIREMENTS 2009-2010^a

The list of immunizations required is specified by the State Health Officer and is promulgated at least annually as directed by state statute. All vaccines are to be given at the appropriate age and intervals according to ACIP recommendations. The required vaccines are listed below.

- b – Children entering a Mississippi school after their 7th birthday not meeting the above DTaP requirements will need at least three (3) total doses of diphtheria/tetanus containing vaccine (Td). Tdap should be used as one of the three (3) diphtheria/tetanus containing vaccines, preferably as the first of the three (3) doses for children age ten (10) years and older.

- c – If the 4th dose is received on or after the 4th birthday, a 5th dose is not required.
- d – If the 3rd dose is given on or after the 4th birthday, a 4th dose is not required.

**ATTENDANCE
SECONDARY (Grades 6-12)**

Consequences of Excessive Absences

- Three (3) days --- Letter to Parents
 - Five (5) days --- Letter to State Attendance Officer/Parent
 - Twelve (12) days --- Administrative Review,
50 (F) in all classes missed/semester,
Parent/guardian can be charged
- (Please see explanations below.)

1. The Biloxi Public School District supports the philosophy that the instructional program is the most vital part of formal education. Experience has shown that a high quality of work is virtually impossible with irregular attendance; therefore, students are expected to attend school at all times when school is in session.
2. If a compulsory-school-age child has not been enrolled in a school within fifteen (15) calendar days after the first day of the school year of the school which such child is eligible to attend or if a compulsory-school-age child has accumulated five (5) absences during the school year, the principal or superintendent is required to report such absences to the Mississippi Office of Compulsory School Attendance and Enforcement.
3. Parents of a compulsory-school-age child who has not been enrolled in school within thirty (30) calendar days after the first day of the school year of the public school which such child is eligible to attend are subject to prosecution under the Mississippi Compulsory School Attendance Law.

4. The parents/legal guardians must contact the school (435-6176) before 9:00 a.m. on each day the student is absent from class.
5. In cases of unreported absences, the pupil accounting office will attempt to contact the parent, or the student will bring a note to pupil accounting by 7:10 a.m. from his/her parent/guardian on the day the student returns to school. The parent's note verifies and excuses the student's absence. Only three notes covering one day each per semester are allowed. Anything beyond that will be unexcused. The parent's note must be provided within ten (10) school days of the absence and include: student's name (printed), date of the absence, parent/guardian's name, and parent's/guardian's signature. **IF THE NOTE IS NOT RECEIVED WITHIN TEN (10) DAYS OF THE ABSENCE, THE ABSENCE WILL BE CONSIDERED UNEXCUSED.**
6. A student shall receive a grade of 50 in any class in which the student has more than twelve (12) unexcused absences in a semester. Administrative review of absences is provided for students with chronic or unexpected, legitimate excused reasons for absences. It shall be the parent's/guardian's responsibility to provide documentation. A student's absences can be monitored through the District's INOW.
7. In the event of the death of a family member as an excused absence, the family member must be a close family member.
8. The following reasons for absences are permitted by law: medical appointments, documented legal reason, death or serious illness in the immediate family, observance of religious event, injury or physical illness, and authorized school activity. Acceptable documentation by a doctor, school nurse, dentist, court official, or clergy will be required and must be written on that individual's stationery. An obituary documenting the death of a close family member is acceptable. (See #7 above.) **State statutes identify "excused absences" as "lawful absences" and "unexcused absences" as "unlawful absences."**
9. When students are sent home by the school nurse, the absence is considered excused for that day.
10. After the third unexcused absence per class period in a semester, a letter will be sent to parents/guardians to inform them of the student's absences.
11. School districts are required by law to report excessive absences to the State Attendance Officer. On the fifth (5th) unexcused absence per class period in a semester, parents will be informed. Out-of-school suspensions will be reported to the school attendance officer.
12. Twelve (12) unexcused absences in a school year can result in charges being filed against a parent/guardian for educational neglect and/or truancy charges against the student.
13. A student shall not be allowed more than six (6) unexcused absences per class period during a semester.
14. A student will receive a zero (0) on classroom work, other graded work, or tests not made up. Make-up work must begin at a time arranged by the teacher. Students will be allowed ten (10) school days to complete all make-up work.
15. Students under the age of seventeen (17) and students who turn seventeen on or after September 1 are required to attend school on a regular basis under the Mississippi Compulsory Attendance Law.
16. Biloxi Public School District does not recognize or condone "skip days." Parents of students who are absent during a skip day may be contacted, and skip-day-related absences will be in violation of School Board policy on attendance.
17. In order to be counted present, a student must be in attendance 63% of his or her instructional day. In order to participate in any extracurricular function, students must attend school a minimum of four (4) periods on the day of the activity.
18. Student absences resulting from officially approved school business will not be counted; however, accreditation standards must be adhered to in regard to student activities.
19. A parent/guardian who fails to attend a conference on absences or provide proof of lawful absences shall be reported to the Mississippi Office of Compulsory School Attendance and Enforcement.
20. Appeal Committee for Excused Absences - The duties of this district-level committee will be to review requests made in regards to school absences for specific events related to scholarships, academics, and leadership. Parents/guardians will be required to present information to the committee that justifies this request. If the request qualifies, documentation must be submitted after the event for final approval.

21. An absence is excused when it results from the attendance of a compulsory-school-age child participating in official organized events approved by the superintendent or his designee. The official organized event must be provided in writing to the superintendent or his designee prior to the event for approval. Contact school principal for official organized event list.
22. An "unlawful absence" is an absence for an entire school day or during part of a school day by a compulsory-school-age child, which absence is not due to a valid excuse for temporary nonattendance. For purposes of reporting absenteeism, if a compulsory-school-age child has an absence that is more than thirty-seven percent (37%) of his/her instructional day, as fixed by the school board for the school at which the compulsory-school-age child is enrolled, the child must be considered absent the entire school day. Days missed from school due to disciplinary suspension shall not be considered an "excused" absence under this section.

TARDIES

The practice of being prompt is considered by Biloxi Public Schools to be an acquired habit which enhances students' ability to succeed in adult life. Students who are not in the classroom and involved in the instructional process cannot achieve at the same level as the student who is present and involved. In addition, students who are tardy disrupt the instructional process for all other students in the class. Tardiness, both to school in the morning and to classes, will be considered as harmful to the instructional process. Each incident (as determined under the cumulative record kept by the attendance office for each term) will result in a negative consequence as listed below.

Tardy Policy (Per Nine-Week Term)

Excessive absences, tardies, and early check-outs will be reported to the attendance officer for referral to Family Court.

- | | |
|------------------------|--|
| First Tardy | - Warning |
| Second Tardy | - Warning |
| Third Tardy | - After School Detention (If the student does not report for detention, he/she will automatically be placed on Step 3 of the Discipline Ladder.) |
| Fourth Tardy | - Parent Contact and Placement on Step 3 of the Discipline Ladder. |
| Fifth Tardy | - Placement on Step 4 |
| All succeeding tardies | - Escalation up the discipline ladder from Step 4. |

HOMEBOUND PROGRAM -- PROCEDURES FOR PLACEMENT

The Homebound Program is an instructional program for students who because of severe disabilities or chronic illnesses are unable to attend school for extended, long-term periods or for other reasons as approved by the Board of Trustees for the education of students not in the normal academic program. Only the superintendent, his/her designee, or the Board of Trustees may determine the student's eligibility for homebound services. No principal or teacher or any other staff person shall have the authority to place a student in the Homebound Program. For application and information on homebound services, contact Student Services (228-374-1810).

LATE ENTRANCE

A student residing in the Biloxi Public School District at the beginning of the school year who is not attending another school and who enrolls after the first day of the school year in the Biloxi Public Schools must make up all work missed because of late enrollment. If a student resides in the Biloxi Public School District and enrolls after the beginning date of the school year, days missed because of late enrollment will be counted as absences. Failure to make up work missed will be cause for withholding credit for the term's work. All make-up work due to late enrollment must be completed by the end of the current term.

STUDENT CHECK-OUT POLICY Grades 6-8

In order to provide for the best welfare of each student and the school, the following check-out policy has been adopted:

When a student becomes ill or an emergency arises during the regular school day which may warrant early dismissal, the student must report to the pupil accounting office. Before the student will be allowed to leave school, the student's parent or legal guardian must be contacted by telephone or the parent, legal guardian, or person authorized by the parent must come to the school to sign the student out. Those individuals that are authorized to pick up the student will be the only ones allowed to do so and they will be asked for picture identification. A picture ID is required for all checkouts.

A student may be released for a doctor's appointment, dental appointment, or other just reason when the parent, legal guardian, or person authorized by the parent comes to the school and signs the student out (grades 6-8).

TRANSFERS, CHANGES OF ADDRESS

1. The principal may only release Biloxi Public Schools education reports or records as required by state law when an official written request is received from the school district to which the student is transferred. Biloxi Public School District will not release character references or recommendations based on student information in regards to request for student transfers or withdrawals.
2. A parent or legal guardian has the right to review his/her child's school records.
3. A student leaving the Biloxi system may obtain a record of the student's work to date for the current term. Reports may be held if the student has any indebtedness to the school (lunchroom, workbooks, library, textbooks, damages, etc.).
4. In-District: A student who moves from one school zone to another in the Biloxi Public School District shall not be permitted to continue attendance in his/her present school after the semester ends.
5. Out-of-District: All students enrolled in the Biloxi Public Schools after the beginning of the school session who move outside the district at any time during the school year must withdraw from the Biloxi Public Schools immediately or apply for tuition status. Under some circumstances, tuition status may not be granted.
6. Any student who moves during the school year must record the change of address with the records clerk in the main office. Any change of telephone number must be corrected in the same manner. **In order to be able to contact or locate parents/guardians in a timely manner, it is the responsibility of the parent/guardian to be sure that addresses and telephone numbers on student locator cards are accurate and up-to-date.** (Also see "Contacting Parents.")

WITHDRAWALS

In grades K-12, if a student withdraws during the last two weeks of the school year and moves out of the district, the student will receive grades in progress to be presented to his/her new school. The school to which the student is transferring will have the option of accepting the grades in progress as the student's final grade or--for students in grades 9-12--requesting examinations from the Biloxi schools. The examinations may be mailed to the student's new school upon written request of the school to which the student is transferring. Examinations, when completed, will be checked by Biloxi school personnel and credit will be given by the Biloxi Public Schools. **No examinations will be given ahead of time.** School officials should be notified one school day prior to the withdrawal of any student. A parent must come to the records clerk's office and officially withdraw the student. All books and fines must be cleared before official withdrawal is completed and the academic record is cleared.

COMPLIANCE POLICIES

The Biloxi Public School District is in compliance with Title VI of the Civil Rights Act of 1962, including regulations in vocational education, Title IX of the Educational Amendments of 1972, Section 504 of the Rehabilitation Act of 1973, and Family Educational Rights and Privacy Act of 1974.

District's policy assures that no one shall, on the grounds of race, color, age, religion, national origin, sex, or disability, be excluded from participation in, be denied the benefits of, or otherwise be subjected to discrimination in any program or activity of the school. The vocational department encourages males and females to enroll in nontraditional classes and to train for nontraditional jobs. Copies of the Title IX policy of the Educational Amendments of 1972 and the Family Educational Rights and Privacy Act of 1974 are available in the principal's office in each school building upon request. Inquiries regarding compliance with this policy should be directed to the Section 504/ADA Coordinator or to the Office for Civil Rights, U.S. Department of Education, Washington, D.C.

FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT NOTIFICATION OF RIGHTS UNDER FERPA

The Family Educational Rights and Privacy Act (FERPA) affords parents and students over eighteen (18) years of age ("eligible students") certain rights with respect to the student's education records. They are:

- (1) The right to inspect and review the student's education records within forty-five (45) days of the day the school principal receives a request for access. Parents or eligible students should submit to the school principal a written request that identifies the record(s) they wish to inspect. The school principal will make arrangements for access and notify the parent or eligible student of the time and place where the record may be inspected.
- (2) The right to request the amendment of the student's education records that the parent or eligible student believes are inaccurate or misleading. Parents or eligible students may ask the school to amend a record that they believe is inaccurate or misleading. If the school decides not to amend the record as requested by the parent or eligible student, the school will notify the parent or eligible student of the decision and advise them of their right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the parent or eligible student when the school is notified of the request for a hearing.
- (3) The right to consent to disclosures of personally identifiable information contained in the student's education records, except to the extent that FERPA authorizes disclosure without consent. One exception which permits disclosure without consent is disclosure to school officials with legitimate education interests. A school official is a person employed by the school as an administrator, supervisor, instructor, or support staff member (including health or medical staff and law enforcement unit personnel); a person serving on the school board; a person or company with whom the school has contracted to perform a special task (such as an attorney, auditor, medical consultant or therapist); or a parent or student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks. A school official has a legitimate education interest if the official needs to review an education record in order to fulfill his or her professional responsibility. Upon request, the school discloses education records without consent to officials of another school in which a student seeks or intends to enroll.

- (4) The right to file a complaint with the U.S. Department of Education concerning alleged failures by the school system to comply with the requirements of FERPA. The name and address of the office that administers FERPA is: Family Policy Compliance, U.S. Department of Education, 400 Maryland Avenue, SW, Washington, DC 20202-4605.

DIRECTORY INFORMATION NOTICE

The school may disclose certain information, known as directory information, in its discretion without consent. Directory information is generally not considered harmful or an invasion of privacy if released. Directory information may be disclosed to entities such as outside organizations that manufacture class rings or publish yearbooks. In addition, two federal laws require schools receiving assistance under the Elementary and Secondary Education Act of 1965 (ESEA) to provide military recruiters, upon request, with three directory information categories - names, addresses and telephone listings – unless the parents or students have advised the school that they do not want the student's information disclosed without their prior written consent.

Parents or eligible student may refuse to let the school release any or all of this information. If you do not want this information released, you must send written notice annually to the principal within thirty (30) days of the first official school day of the year. If a student registers after the first official school day, the notice must be sent within thirty (30) days of the student's registration. The following information regarding students is considered directory information: (1) name, (2) photo, (3) e-mail address, (4) home address, (5) telephone number, (6) date and place of birth, (7) major field of study, (8) participation in officially recognized activities and sports, (9) weight and height of members of athletic teams, (10) dates of attendance, (11) degrees and awards received, and (12) the most recent previous education agency or institution attended by the student.

In the event you have a question or concern about student records or the law, please contact the Special Education office at 435-4600.

CUSTODIAL PARENTS

If you are the legal guardian of the student through the courts, you must provide documentation officially appointing you guardian/primary physical custodian or a copy of your most recent divorce decree for examination by school officials. The Biloxi Public Schools will be responsible for issuing report cards, progress reports, and other necessary reports only to the custodial parent (defined as the parent with whom the student resides during the school year). Copies of report cards will be given to non-custodial parents upon written request to the principal, accompanied by a self-addressed envelope.

FREE SPEECH

The District recognizes a student's right to free speech provided it is exercised in a manner which is not prohibited by law nor disrupts the educational process.

CAFETERIA

Breakfasts and lunches are served each day in all Biloxi schools. Prices for breakfasts and lunches will be subject to change during the school year.

Free and reduced price breakfasts and lunches are available for those who apply and qualify.

Milk may be purchased by any student in the cafeteria.

All students must remain at school during the lunch period unless signed out by parents or legal guardians. There will be no pre-checks accepted for the purpose of leaving for lunch.

Students will not be permitted to take food out of the designated eating areas. Students who bring their lunches to school may eat in the cafeteria or in other approved areas.

Please note that glass containers are not permitted on the school campus.

No credit will be extended for breakfasts or lunches by the Food Service Department.

The system used in identifying student meal status will be the number system. The concept of the number system requires that all students be assigned a certain coded number for the school year enabling each student to eat breakfast and lunch in the school cafeteria.

Students may pay in advance for daily meals at a place and at times designated by the principal for this purpose. Students may also pay in advance on a weekly, bi-weekly, and monthly basis.

In accordance with federal regulations, the "Offer vs. Serve" policy is in effect for all students. This policy allows students to select three different food items of the five food items offered on the menu. Students may choose to select three, four or five of the items offered. Students must choose at least three different items of the five food items offered. Selecting fewer than the five items offered does not relieve the student from paying the full price of the meal.

In compliance with federal regulations and State Board of Education rulings and the Biloxi Public School District's Wellness Program, efforts will be made to aid students in developing healthy nutritional habits, assure that sanitary food practices are maintained, and support a sound financial status in the school feeding program. The following regulations will be observed.

No food items will be sold on campus one hour before the beginning of any meal service period and until the end of the last meal service period.

No food deliveries from fast food commercial establishments will be received or consumed in the cafeteria dining room during serving periods.

Food items offered for extra food sales by the Child Nutrition Program shall be only those foods which are components of the federally approved meal patterns. The only exceptions to this regulation are milk products.

With the exception of milk products, a student may purchase individual meal components (extras) only after the full meal unit has been purchased.

Foods of minimal nutritional value are not allowed in the cafeteria during meal service periods. These foods include, but are not limited to, carbonated drinks and frozen desserts that contain less than 50% full strength fruit juice.

Vending machines are allowed on school campuses at the discretion of the school principal, provided the contents of the machines are not in competition with the Child Nutrition Program and are operating in compliance with federal, state, local regulations and the District's Wellness policy. Student vending machines shall be used only after school. At no time are students permitted to use vending machines in teachers' workroom.

APPEARANCE OF BUILDINGS AND CAMPUS

Taking pride in one's surroundings is good training in citizenship. The school buildings and the campus can be kept attractive with the cooperation of students and all school personnel. Trash and empty paper cups should be deposited in containers, and rest rooms should be kept clean.

PURCHASES

All purchases for school district purposes will observe the purchase order process. Before a purchase order can be issued, prior approval must be secured by means of a requisition being signed by the principal/supervisor and the appropriate administrator designated by the Superintendent. Only authorized (budgeted) staff members may originate requisitions for school purchases.

A purchase order signed by the purchasing agent will be issued once requisitions have completed the approval process. A copy will be sent to the vendor, the district warehouse, the accounts payable department and the purchasing department. All purchases will be received through the warehouse. Purchases made without an approved purchase order or purchases received without processing through the warehouse will become the personal obligation of the purchaser.

LEAVING CLASS - TELEPHONE

At no time during class hours are students to be in the halls without hall passes or planners. Students will be called from class only in cases of emergency as determined by school officials. School telephones are for school business only, and students will not be permitted to use school telephones except in cases of illness or emergency.

Telephone messages shall be delivered to students in classrooms in emergency situations only, as determined by the administration. Parents must make transportation arrangements with students prior to the beginning of the school day.

PARENT-TEACHER ASSOCIATIONS/PARENT-TEACHER ORGANIZATIONS

Close cooperation between home and school is fostered by the Parent-Teacher Associations which are active in every Biloxi school. Parents are encouraged to join the P.T.A./P.T.O. and to attend meetings.

FLORAL DELIVERIES/GIFTS, ETC.

If floral arrangements or other gifts for students are delivered to the school, they will not be accepted.

The textbooks assigned to students will remain at the student's home for use during the school year, to be returned upon withdrawal or at the end of the school year. It will no longer be necessary for students to bring books to school or to take them home. If textbooks are not returned or paid for, grades will be withheld, and students may not be allowed to register for attendance during the coming school year.

In cases where books are lost or damaged to a degree that will prevent further use, the student will be charged as established under district policy.

END-OF-YEAR RESPONSIBILITIES

It is imperative that every student meet all end-of-the-school-year responsibilities, including all classroom assignments and return of all textbooks.

In addition, the student must also ensure that his/her record is clear of any deficiencies. Library, cafeteria, and textbook fines must be paid, and all funds raised by students participating in school support groups, including PTO fundraisers, must be turned in. TEACHER SUPPORT TEAMS

1. The purpose of this policy is to ensure that the behavioral and academic needs of every student are met through an instructional model that is designed to address student learning with quality classroom instruction and opportunities for intervention. The Mississippi Department Education (MDE) shall require every school district to follow the instructional model, which consists of three (3) tiers of instruction:
 - a. Tier 1: Quality classroom instruction based on Mississippi Curriculum Framework
 - b. Tier 2: Focused supplemental instruction
 - c. Tier 3: Intensive interventions specifically designed to meet the individual needs of students
2. If strategies at Tier 1 and Tier 2 are unsuccessful, students must be referred to the Teacher Support Team (TST). The TST is the problem-solving unit responsible for interventions developed at Tier 3. Each school must have a Teacher Support Team (TST) implemented in accordance with the process developed by the MDE. The chairperson of the TST shall be the school principal or the school's instructional leader or the principal's designee. The designee may not be an individual whose primary responsibility is special education. Interventions will be:
 - a. designed to address the deficit areas;
 - b. research based;
 - c. implemented as designed by the TST;
 - d. supported by data regarding the effectiveness of interventions.
3. Teachers should use progress monitoring information to:
 - a. determine if students are making adequate progress,
 - b. identify students as soon as they begin to fall behind, and
 - c. modify instruction early enough to ensure each student gains essential skills.Monitoring of student progress is an ongoing process that may be measured through informal classroom assessment, benchmark assessment instruments, and large-scale assessments.
4. After a referral is made, the TST must develop and begin implementation of an intervention(s) within two weeks. No later than eight weeks after implementation of the intervention(s), the TST must conduct a documented review of the interventions to determine success of the intervention(s). No later than 16 weeks after implementation of the intervention(s), a second review must be conducted to determine whether the intervention(s) is successful. If the intervention(s) is determined to be unsuccessful, then the student will be referred for a comprehensive assessment.
5. In accordance with the Literacy-Based Promotion Act of 2013, each public school student who exhibits a substantial deficiency in reading at any time, as demonstrated through:
 - a. performance on a reading screener approved or developed by the MDE, or
 - b. through locally determined assessments and teacher observations conducted in kindergarten and Grades 1 through 3, or
 - c. through statewide end-of-year assessments or approved alternate yearly assessments in Grade 3, must be given intensive reading instruction and intervention immediately following the identification of the reading deficiency. A student who was promoted from Grade 3 to Grade 4 under a good cause exemption of the Literacy-Based Promotion Act must be given intensive reading instruction and intervention. The intensive intervention must include effective instructional strategies and appropriate teaching methodologies necessary to assist the student in becoming a successful reader, able to read at or above grade level, and ready for promotion to the next grade.

6. A dyslexia screener must be administered to all students during the spring of their kindergarten year and the fall of their first grade year. The screening must include the following components:
 - a. Phonological awareness and phonemic awareness;
 - b. Sound symbol recognition;
 - c. Alphabet knowledge;
 - d. Decoding skills;
 - e. Encoding skills; and
 - f. Rapid naming (quickly naming objects, pictures, colors, or symbols (letters or digits) aloud).

7. All students in kindergarten and Grades 1 through 3 shall be administered a state-approved screener within the first 30 days of school and repeated at mid-year and at the end of the school year to identify any deficiencies in reading. In addition to failure to make adequate progress following Tier 1 and Tier 2, students will be referred to the TST for interventions as specified in Response to Intervention guidelines developed by MDE if any of the following events occur:
 - a. Grades 1-3: A student has failed one (1) grade;
 - b. Grades 4-12: A student has failed two (2) grades;
 - c. A student failed either of the preceding two grades and has been suspended or expelled for more than twenty (20) days in the current school year; OR
 - d. A student scores at the lowest level on any part of the Grade 3 or Grade 7 statewide accountability assessment.
 - e. A student is promoted from Grade 3 to Grade 4 under a good cause exemption of the Literacy-Based Promotion Act.

8. Referrals to the TST must be made within the first twenty (20) school days of a school year if the student meets any of the criteria a-d stated above in Paragraph 7.

PROGRESS REPORTS

At mid-term during each nine-week term the teacher or team will inform the parents of the academic work of all students. This is done by way of a progress report. Teachers in grades 6-12, at their discretion, may require the progress reports to be signed by a parent and returned. Parents who wish to receive progress reports more frequently may access INOW. (See INOW.)

REPORT CARDS/ACADEMIC CREDIT

Report cards will be issued following the end of each nine-week term. Grades will be recorded for academic work, and written comments will be made about school behavior. Grades will be awarded on the basis of student performance.

- A. The Biloxi Public Schools will accept transfer students and award credit for grades earned during the school year if the student is enrolled in the Biloxi schools for at least twenty (20) school days. A student enrolled in a Biloxi school for less than twenty (20) school days will receive an Incomplete grade, except for those students transferring into the Biloxi school system whose grades in progress at a previous school are sent to the principal's office. Grades in progress will be averaged with grades received while in attendance in the Biloxi Public Schools.
- B. Students with excessive absences who do not pass administrative review will not receive credit for the course in which excessive absences occurred.
- C. A student withdrawing from school prior to the last day of the grading period will not receive a final grade, but will receive grades in progress for that term. (See "Withdrawals.")
- D. Examinations will not be administered prior to the regularly scheduled time
- E. In order for students to receive term, semester, or yearly grades, all course or grade level requirements must be met.
- F. Report card dates are noted on the school calendar (on the back of this handbook).

AWARDING OF ACADEMIC CREDIT

1. Academic credit for courses taken by students in the Biloxi Public Schools shall be awarded upon successful completion of courses.
2. Credit for high school courses will be awarded in half-units, full units, or multiple units as approved by the Commission on School Accreditation, State Department of Education.
3. In grades 8-12, the student must complete both semesters for a full-year (two-semester) course receiving Carnegie unit of credit with a yearly passing average of 65 or higher in order to receive any credit for that course, subject to the following guidelines:
 - a) If a student fails either first or second semester and does not have a high enough average to result in a yearly average of 65 or higher, he/she must complete the failed semester in summer school or through a correspondence course or he/she will have to repeat the full course during the following school year.
 - b) A semester of a different course cannot be substituted, whether through the regular program or through summer school or correspondence.
 - c) A student will not be eligible to receive yearly average if either semester is failed due to excessive absences, subject to administrative review, if granted.
4. No student may receive a score higher than 100 or lower than his/her actual average on his/her report card. (See "Class Rankings/Scholastic Averages.")
5. A student who does not complete a class in its entirety will receive a fifty (50) F. A grade recorded as NC (No Credit) will be counted as 50 in computing scholastic averages and class rank.
6. Once credit has been awarded based on yearly average for one (1) or two (2) unit courses or final semester averages for half-unit courses, the course cannot be repeated simply to raise scholastic averages or class ranks through changing the original grade. If such a course is repeated, both the original grade and the grade for the repeated course will be included in academic records and in determining class rank or scholastic average.
7. The Biloxi Public Schools will recognize and honor courses taken at other accredited schools if courses are recorded on the permanent record or transcript, but in the matter of required courses, students shall meet all regulations governing graduation requirements for Biloxi High School.
8. Students transferring into a Biloxi school from a non-accredited school and/or home schooling must be given achievement tests and/or four (4) term tests in each subject for which a Carnegie unit of credit is awarded.
9. Students who transfer to a Biloxi school who have previously received credit in a course and who are required to enroll in the class in Biloxi for No Credit will be listed in computer programs and in academic records as "Audit," with such "Audit" courses not to be included in determining scholastic averages or class rank.
10. Eighth graders who successfully complete a technology course, credit-bearing math course, or Mississippi Studies and Geography will be awarded the appropriate Carnegie units for the courses and grades in these subjects will be included in computing scholastic averages and class rankings.
11. Each student is responsible for completing required work without unauthorized assistance. The integrity of the grading and testing procedures must not be compromised, and any student who is determined to be guilty of cheating will receive a zero on graded work and will receive appropriate counseling and/or disciplinary action.
12. A student will be allowed to retest within 10 days of receiving his or her test grade. Students must be given the opportunity to retest on major/unit tests provided by the teacher. Term tests will not be retested. Students will be required to meet with teachers before or after school or during designated times throughout the school day. The meeting times will be left to the discretion of the classroom teacher. Students must complete tutorial sessions that cover skill assignments within that 10-day period. The number of times a student is permitted to retest will be limited in order to avoid complacency about studying/paying attention the first time. Students that fall into Tier/Sped/504 categories may be an exception.

TRANSFER GRADES

Students transferring to Biloxi schools with only letter grades will be assigned the following numerical grades:

A	–	95
B	–	85
C	–	75
D	–	67
F	–	Below 65 (not to be assigned below 50)

Letter grades may be converted to number grades as recorded by the transfer student's previous school if an official notice regarding the grades is received by the school within six weeks after enrollment.

HONOR ROLL - GRADES 6-8

To qualify for term or semester honor roll, a student must have an average of 80 on his/her report card for each subject in which he/she is enrolled for either one-half or one full credit. To qualify for term or semester special honor roll, a student must have an average of 90 in each subject.

SUMMER SCHOOL (6-12)

Summer school for grades 6-12 will be offered if funds are available, teachers can be secured and a need is determined by the administration.

When offered, summer school usually begins in the first or second week after graduation.

Only one (1) Carnegie unit (course) may be earned in summer school. If necessary, a student may enroll for only one semester. Summer school is for credit recovery.

When such trips are being planned, permission slips will be sent home to be signed by the parent. All field trips must be approved by the district administration and must be supervised by classroom teachers. No field trip will be conducted for the weeks of term tests, and all field trips must be concluded five (5) days prior to the week of term examinations. No field trip that requires school bus transportation will be conducted during the last ten (10) school days of the school year. Parents who volunteer to chaperone are not permitted to bring other children on field trips. Chaperones must be approved by the principal.

Field trip requests that require Board approval must be in the superintendent's office at least ten (10) days prior to the regular Board meeting.

INTERNET SAFETY (CIPA)

The Biloxi Public School District will ensure that its CIPA-required Internet safety policies provide for the education of students regarding appropriate online behavior including interacting with other individuals on social networking websites and in chatrooms, and regarding cyberbullying awareness and response.

In Biloxi Public Schools, we encourage Internet safety throughout the district. At elementary schools, the importance of Internet safety is taught in the computer lab and within the classroom. At the secondary level, the importance of Internet safety is reinforced in technology classes and within the classroom.

INTERNET APPROPRIATE USE POLICY

The Biloxi Public School District provides access to the Internet for students. Parents who do not wish their child to have Internet access must notify the school principal in writing. The use of the Internet is a privilege, not a right, and inappropriate use will result in the cancellation of those privileges and/or disciplinary actions by the District. A student's use of the Internet must be in support of education and research, and consistent with the educational objectives of the Biloxi Public School District. In addition, the student accessing the Internet from a school site is responsible for all online activities that take place through the use of his or her account.

This network is a public network provided by the Mississippi Department of Education. This network is fully compliant with the Children's Internet Protection Act (CIPA) and Child Online Protection Act (COPA) regulations.

Personal

- User shall not access, transmit, or retransmit: threatening, harassing, or obscene material, pornographic material, or material protected by trade secret, and/or any other material that is inappropriate to minors. User shall not transmit or retransmit copyrighted materials unless authorized. User shall not plagiarize copyrighted materials. (COPPA)

- User shall not access, transmit, or retransmit any material that promotes violence or the destruction of persons or property by devices including, but not limited to, the use of firearms, explosives, fireworks, smoke bombs, incendiary devices, or other similar materials.
- User shall not use the network for any illegal activity including, but not limited to, unauthorized access including hacking.
- User shall not access, transmit, or retransmit language that may be considered offensive, defamatory, or abusive.
- User shall not access, transmit or retransmit information that could cause danger or disruption or engage in personal attacks, including prejudicial or discriminatory attacks.
- User shall not access, transmit or retransmit information that harasses another person or causes distress to another person.

- User shall use the Biloxi Public School District's system only for educational and career development activities and limited, high quality self-discovery activities as approved by Biloxi Public Schools faculty for a limited amount of time per week.
- User agrees not to download large files unless it is absolutely necessary. If absolutely necessary to download large files, user agrees to download the file at a time when the system is not being heavily used.
- User agrees not to post chain letters or engage in "spamming" (that is, sending an annoying or unnecessary message to large numbers of people).
- User agrees to immediately notify his/her teacher or other school administrator should user access inappropriate information. This will assist in protecting user against a claim of intentional violation of this policy.

User Rights

- User shall have the responsibility to use computer resources for academic purposes only. Therefore, as mandated by CIPA, filtering will be utilized on all computers accessing the Internet. The only exception will be for academic research by a staff member with the approval of school administration.
- The Biloxi Public School District will fully cooperate with local, state or federal officials in any investigation related to illegal activities conducted through the user's Internet account.
- Under no conditions should a user provide his/her password to another person or use another person's password.
- User should not expect files stored on a school-based computer to remain private. Authorized staff will periodically inspect folders and logs of network usage will be kept at all times. Routine review and maintenance of the system may indicate that user has violated this policy, school codes, municipal law, state law or federal law. Parents of minor users shall have the right to inspect the contents of user's files.
- Individual schools within the district may create additional guidelines and procedures consistent with this policy. Such guidelines and procedures will be appropriate for the electronic information resources being used and the students served at the school.
- Use of the Internet is a privilege, not a right. Unacceptable and/or illegal use may result in denial, revocation, suspension and/or cancellation of the user's privileges, as well as disciplinary action imposed by school officials. The school district may include a process for the student to appeal the decision to deny, suspend, revoke or cancel Internet privileges.

Consequences for Failure to follow Terms and Conditions of AUP

There will be consequences for any user who fails to follow Biloxi Public School District and school guidelines and policies.

The consequences may include paying for damages, denial of access to technology, detention, suspension, expulsion or other remedies applicable under the school disciplinary policy, and state or federal law. GENERAL POLICIES REGARDING SELECTION OF SUBJECTS

The policies listed below will be followed by students, parents, and counselors in setting up the students' programs:

1. A maximum of one (1) unit of credit may be earned or accrued during one (1) summer session.
2. Arrangements may be made for each student to meet with a guidance counselor/advisor to set up his/her program of studies and sign the Biloxi Public Schools scheduling form, which is to be taken home for parent approval and signature.
3. It is important that all students make proper subject selections in the spring. Computer scheduling is completed during the summer, and the only schedule changes which should be made in the fall are those resulting from clerical error.

HOMEWORK

The Board of Trustees recognizes the value of purposeful, well-planned, and properly motivated home assignments that are (1) appropriate to the grade level, age, and abilities of the student; (2) designed to stimulate initiative and independence or to reinforce and enrich classroom instruction; (3) in complete accord with the goals established for the development of the school curriculum; (4) carefully planned so that home assignments are not so lengthy as to be self-defeating nor so complicated as to require assistance or resource materials not available to the student; and (5) an extension of class work that has already been introduced.

As in the assignment of in-school work, homework assignments must be left to the sound professional judgment of the teacher, who will be expected to interpret the needs and assess the abilities and interests of each student.

CLASSIFICATION/PROMOTION/RETENTION POLICY (Grades 6-8)

The student will be promoted except in those cases where students (1) refuse to exert the required effort to achieve grade level objectives or (2) in the teacher's opinion, become sufficiently behind in academic work to make it unlikely or impossible to succeed if promoted to the next level. Students in grades 7 and 8 must pass four (4) of the five (5) required courses to be promoted to the next grade. Required courses are English, science, math, social studies, and physical education (or substitute).

Satisfactory achievement in academic courses in grades 7-8 of the Biloxi Public Schools shall be reflected in the grades awarded under the specific grading policy of the Biloxi schools for achievement of course objectives, rate of learning and achievement levels, and performance in regard to basic skills established for each grade. Seventh and eighth grade students will be required to take term and semester examinations.

Required courses for seventh grade students are reading, English, science, math, social studies, and physical education or an accepted physical education substitute. Required courses for eighth grade students are English, science, math, social studies, and physical education.

A student with a passing grade of 65 or higher in the Technology Foundations class in grade 8 will meet the computer proficiency/competency state requirements and will receive one Carnegie unit of credit toward graduation requirements. Evidence of proficiency in Keyboarding and Computer Applications is accepted in lieu of the required courses if the student earns one unit in any of the courses listed in the Business Technology curriculum area that have a strong computer component.

INSURANCE

School insurance is available at the beginning of each school year at a nominal cost to the student. Several plans are available at the option of the parent and student. All students participating in athletics are required to have proof of insurance. Failure to provide proof of insurance or failure to sign the waiver form will require the removal of the student from the program or activity. The school district does not assume any responsibility for costs in connection with student accident or injury. Parents are encouraged to have or to purchase student insurance.

FIRST AID

The school attempts to provide an environment in which the child will be safe from accidents. If an accident occurs, first aid will be administered.

Home telephone numbers, business telephone numbers, and emergency telephone numbers must be furnished to the school. If the parent/guardian cannot be reached, school officials will act prudently to safeguard the student's welfare. Parents/guardians are responsible for notifying the school in writing of any changes in contact information.

Trained faculty and staff first aid specialists are available in each school.

MEDICATION

No student will be allowed to bring medicine to school.

The preference of the Biloxi Schools is never to administer a prescription medication to a student; but we understand that at times there are needs that justify dispensing prescription drugs.

Medication prescribed by a licensed doctor/nurse practitioner can be administered to students at school if necessary. No over-the-counter or narcotic medication will be administered at school. If a student is ill and taking over-the-counter medication, he/she should remain at home, or the parent may come to the school to give the medication.

When a doctor prescribes a medication, the parent must arrange with a doctor for the child to receive the medication at times other than during school hours. If the doctor feels it is necessary for the medication to be given at school, the parent must adhere to the following procedure:

1. No student will be allowed to bring any medicine to school and take it without school office personnel supervision; all medication must be brought to the school by the parent/guardian, with the exception of number 5 below.
2. In the event a medication is brought to the school by a student, the medicine will be immediately confiscated, and the student may be referred to the building administrator for disciplinary action, with the exception of number 5 below.
3. The parent must bring the medication to the school in the original prescription bottle, which must be labeled as prescribed by law. Only prescription medication will be dispensed at school.
4. The written consent form must be signed by **the parent and the physician** and returned to the school before any medication will be dispensed to the child.
5. A student may carry an inhaler for asthma if a licensed medical physician or licensed nurse practitioner provides written documentation on the proper school form. The parent and the physician must complete an asthma action plan and return it to the school nurse.
6. It is the parent's responsibility to transport medication to the in-school suspension location should his/her child be assigned to in-school suspension as a result of a disciplinary infraction.
7. A student may carry auto-injectable epinephrine if ordered by their physician or nurse practitioner. Written permission signed by the physician/provider and parent must be documented on the district form, Anaphylaxis Action Plan.

Notes:

1. All medication dispensed must be done by approved school office personnel, with the exception of the asthma inhaler.
2. It is the responsibility of the student taking medication to keep up with his/her medication time.

EMERGENCY ACTION BY SCHOOL STAFF

School staff members faced with an emergency affecting the health and welfare of a student will exercise their best judgments as to procedures for handling the emergency, following established policy and procedural guidelines in every case insofar as possible. In the event that the parent or guardian cannot be reached, the school officials will act to safeguard the student in every reasonable way.

EMERGENCY OPERATIONS

Because there are a number of school districts in Harrison County, parents and students need to be aware that announcements related to the dismissal or closing of the Biloxi Public Schools should not be confused with announcements related to the Harrison County Schools, which are in a separate district. Parents should listen to the local radio or television stations for announcements from the superintendent's office or visit the District's web site, www.biloxischools.net.

Schools are sometimes faced with emergencies which require the total cooperation of staff members and students. The Biloxi schools have made detailed plans for operating the schools under such emergency conditions as fire, tornado, flood, severe weather, explosions, and other disasters.

Fire drills and other disaster preparedness measures are a regular part of each school's program. Students are expected to learn the procedures to be followed under emergency conditions and to cooperate fully with the supervising teacher.

In the event of a school lock down students will not be released nor will anyone be allowed in the building.

Detailed instructions for emergency operations will be outlined to all students at their respective schools.

STUDENT CONDUCT

Although student conduct in the Biloxi Public School District is considered in most cases to be exemplary and situations have not arisen to cause undue concern for student welfare and safety, the Biloxi Public Schools are required to establish policies and procedures that detail expectations of students and outline consequences of student misbehavior. The publication of these policies and procedures in student handbooks will help to assure that there is a clear understanding among students and parents concerning matters covered in the handbooks under Student Conduct and Student Activities.

The Board wishes to establish an educational climate in which student behavior is at all times exemplary and in which the important processes of education can best be carried out. Recognizing the need to support the professional personnel of the Biloxi Public Schools in their instructional and supervisory duties, the Board encourages the development of harmonious and cooperative relationships between students and faculty members based on mutual respect and understanding.

Significant interruptions of the educational process resulting from overt disrespect shown by students to faculty members, unruly student behavior, and vulgar or otherwise discourteous actions will not be permitted.

A student must obey any and all instructions of the faculty and administrators, in the absence of parental instructions to the contrary. If a student refuses to obey instructions because of contrary parental instructions, he/she may be suspended from school until a conference between the principal of the school and the student's parents can be arranged. In cases of emergency, the principal or, in his/her absence, the official then in charge of the school may so inform the student and require his/her immediate cooperation.

Disciplinary action which may result in suspension or expulsion will be taken as a result of the following student misbehavior: (1) refusal to follow instructions from faculty members; (2) profane language; (3) failing to identify oneself when asked to do so by a member of the faculty; (4) insolent, contemptuous, or belligerent behavior or remarks; (5) other just cause.

No student attending school at any attendance center in the Biloxi Public School District shall be permitted to use or to carry upon his or her person or in any other manner or to have in his or her possession in any way any knife, razor, razor blade, ice pick, brass or metallic knuckles, pistol, or other weapon, whether the same be manufactured or homemade, BB gun, cap pistol, plastic or toy gun, laser items or ammunition or any dynamite, firecrackers, caps, or other fireworks of any nature, kind, or description, or other instrument or paraphernalia which could cause fear, bodily harm, injury, or death to any person. Students who are in violation of this policy will be subject to immediate arrest.

No student enrolled in the Biloxi Public Schools shall be permitted to use or to carry upon his or her person or in any other manner or to consume and/or be under the influence of or to have in his or her possession in any way alcoholic beverages, morphine, marijuana, cocaine in any form or any other "leisure" or recreational drug, opium, heroin, or their derivatives or compounds, drugs commonly called LSD, "pep" pills, spice, synthetic drugs, tranquilizers, or any other narcotic drug, barbiturate, substance, ingredient, or compound which, when taken orally, intravenously, inhaled or in any other manner, may cause the person to be under the influence of any of the same on any property in this school district or at any school activity. The provisions of this policy shall not apply to any student who is under the care of a licensed physician and who is taking medication as prescribed which is under the supervision and direction of such physician.

STUDENT PLANNERS and PBIS

Whereas Biloxi Junior High seeks to promote responsible behavior and positive decision-making, we will institute Positive Behavior Intervention and Supports, PBIS, at our school.

Student planners will be used to track student movement (planners will be student passes) and to monitor student behavior for PBIS purposes. Students should put their name inside their planner immediately upon receipt.

- When a student requests to leave the classroom and the teacher agrees to allow the student to leave, the student planner is the hall pass. The teacher should sign the student planner under the appropriate date, including the student's destination. Students should then sign out on the classroom sign out sheet.
- Students in the hallway without their planner are considered out of area and should receive a discipline referral.
- When students misbehave in the hallway in some way that does not warrant an office referral, teachers should ask for the student planner and sign the back page. Teachers should include date, signature and a comment regarding the infraction, such as "running in the hall."
- These signatures will be counted periodically and used as a criterion for PBIS rewards, so it is in the students' best interest to avoid getting signatures in their planner.
- If a student loses their planner or is unable to produce their planner upon request, they should be sent immediately to the office to receive a "red card" and will not be eligible for PBIS for that PBIS period (a PBIS period is 4.5 weeks). The red card will then serve as the student's hall pass and behavior log. Students will be given a detention when issued a red card.

PBIS

Students are able to earn a variety of incentives through good behavior and attendance.

- Students can earn a PBIS badge for courtyard privileges during lunch. Badges will be issued each 4 and a half weeks (at midterm and end of term) to students with fewer than two unexcused absences and no suspensions (ISS or OSS). If a student receives a discipline referral after being issued a badge, the badge will be confiscated.
- Students can earn a weekly PBIS break on Fridays by having no absences, no discipline and no planner signatures.
- Other rewards, incentives and privileges will become available periodically. Eligibility will depend on the particular event. What you can always count on is that good attendance and good behavior leads to benefits.

DRUG TESTING

All students enrolled in grades six through twelve shall be subject to random and/or reasonable suspicion drug and alcohol testing to the extent and in the manner provided in district policy. Students who wish to participate in extracurricular activities or co-curricular activities, operate machinery, or seek a privilege for which a school permit is required (e.g., operating a motor vehicle on campus) may not illegally use or consume alcohol, tobacco products, mood altering substances or drugs at any time, including school hours and non-school hours, school days and non-school days, twelve months a year. If the school administration determines that the student who is participating in an activity or enjoys a privilege stated above, or seeks to participate in any activity or privilege stated above, is engaged in the illegal use of alcohol, tobacco, or drugs, the student may be subject to consequences in accordance with the Biloxi Public School District Drug Policy. Prior to making this determination and imposing any exclusionary consequence, the administration shall give the student the right to explain his or her conduct.

All Biloxi students enrolled in grades six through twelve subject to drug and alcohol testing provided in district policy must sign a "Participants Pledge" and the Policy Consent/Release Form as a precondition to his or her participation or privilege. The student's signature on the Pledge/Consent Form signifies the commitment to abide by the conditions of the Biloxi Public School District Substance Abuse Testing Policy and to remain free from alcohol, tobacco, and illegal substances. The parent's signature signifies that the parent has read and understands the Biloxi Public School District Substance Abuse Testing Policy.

The provisions of these policies shall apply to all students during all of the period of time that they are under and subject to the jurisdiction of the Board of Education of this school district as defined by the laws of the state of Mississippi, and/or while participating in or going to or from any school activity sponsored by this school district and/or while under the supervision and direction of any teacher, principal, or other authority of this school district.

Any student violating any of the provisions of these policies of the Board of Education, in the sole and absolute discretion of the principal of the attendance center wherein such offense is committed, and the Superintendent of Education of the Biloxi Public School District, or in his absence, his designee, shall be suspended for a period to be determined by the school administrator and may be expelled in the sole and absolute discretion of the Board of Education of this school district. Appropriate referrals will be made to juvenile authorities as required under state law.

SEARCHES OF STUDENT

Searches of Student - Circumstances will arise where searches of students' persons, possessions, lockers, desks and vehicles will be necessary. Administrators have the authority and obligation to exercise discretion in the implementation of this policy, balancing the District's responsibility to maintain discipline, order, and a safe environment conducive to education with the students' legitimate expectations of privacy. Searches permitted are as follows: a) Persons, possessions, lockers, b) desks, other school property, c) vehicles, d) canine searches, and e) group searches.

If a student is guilty of sexual harassment/assault and is assigned to sexual harassment classes, the student must successfully complete the classes in the time designated in order to continue enrollment in the Biloxi schools.

FIGHTING

Students who are involved in assaults, who engage in fighting or who are responsible in any way for fighting while under the jurisdiction of the school will be subject to arrest, removal and/or expulsion from school in accordance with state statutes and/or district policy. This includes fighting while on a bus, at bus stops, or at any activity/event sponsored by the Biloxi Public Schools. Fighting on the bus shall result in 45 days off the bus.

GANG ACTIVITY OR ASSOCIATION

Gangs which initiate, advocate, or promote activities that threaten the safety or well-being of persons or property on school grounds or disrupt the school environment are harmful to the educational process. The use of hand signals, graffiti, or the presence of any apparel, jewelry, accessory, or manner of grooming which, by virtue of its color, arrangement, trademark, symbol, or any other attribute which indicates or implies membership or affiliation with such a group, presents a clear and present danger and is prohibited. This is contrary to the school environment and educational objectives and creates an atmosphere where unlawful acts or violations of school regulations may occur.

Incidents involving initiations, hazings, intimidations, and/or related activities of such group affiliations that are likely to cause bodily danger, physical harm, or personal degradation or disgrace resulting in physical or mental harm to students are prohibited.

The School District shall enforce the above rule and attempt to ensure that any student wearing, carrying, or displaying gang paraphernalia or exhibiting behavior or gestures which symbolize gang membership and/or participating in activities which intimidate or affect the attendance of another student shall be subject to appropriate disciplinary action, in accordance with the disciplinary ladder.

OTHER PROHIBITED ORGANIZATIONS

No student shall actively participate or wear clothing or other indications of membership in an organization which advocates violence or hatred toward any group of students and other individuals, or an organization which either intends to or does disrupt the educational process through its purpose or actions.

SORORITIES, FRATERNITIES, AND SECRET ORGANIZATIONS

State laws specifically prohibit the existence of any sorority, fraternity, or secret society as a part of any high school in Mississippi. The Biloxi Public School District expressly prohibits use of Biloxi schools as a part of the name of any of these groups, raising funds in the name of Biloxi schools, conducting any part of their initiation at Biloxi schools (including wearing of unusual dress, signs, and directions or instructions given to initiates by members), and the use of any school facility—grounds or buildings—for the purpose of meeting or holding any type of program or exhibition.

The above regulations are not inclusive; other conduct in connection with these groups is forbidden at or in the schools. Students who violate the position of the Biloxi Public School District in this matter will be subject to suspension, with a parental conference required before student reinstatement.

VANDALISM

The school district will not tolerate students' writing on or otherwise defacing school buildings, furniture, or other school property. Students guilty of this offense will be placed on the disciplinary ladder according to school policy, and restitution will be required from the students and/or their parents/guardians.

TRESPASSING

The administration and the School Board recognize that a problem exists with students who are on the school campus at night or on weekends for purposes of vandalism or other misbehavior. Students who are found on the school grounds at unauthorized times will be placed on the school discipline ladder under school policy and will be subject to arrest. In all instances of such vandalism, restitution will be the responsibility of the students and their parents. Students who are assigned to out-of-school suspension, recommended for expulsion, or expelled but are on campus unaccompanied by a parent/guardian will be considered to be trespassing.

DISCIPLINE - GENERAL INFORMATION

The basic objectives of discipline within the school may be described as four-fold:

1. To establish conditions under which no student will be permitted to prevent any teacher from teaching or any student from learning.
2. To establish and maintain study conditions that are conducive to learning.
3. To develop, on the part of each student, the habits and skills that make him/her self-directive and to help him/her realize that he/she is responsible for his/her own behavior.
4. To guide students in learning how to make better behavioral choices based on decision-making skills that enable them to become self-disciplined.

Conferences, reprimands, detention, suspension or expulsion may follow student failure to conform to accepted standards of behavior in the school.

DETENTION is a supervised consequence for handling student misbehavior. When a teacher requires a student to report before or after school for disciplinary reasons, that student must do so unless arrangements are made with the teacher. Students will be given a minimum of one day's written notice prior to detention. The written notice will serve as parent notification.

SUSPENSION (both in-school and out-of-school suspension) is a forfeiture of participation in regularly scheduled school activities (including extracurricular activities) for the time designated during suspension. Graded work missed during the time of suspension may be made up at a time designated by school officials. Students may be assigned to either in-school or out-of-school suspension. In all cases, parents must have a conference with the designated school administrator before the child will be allowed to return to classes and resume participation in school activities (including extracurricular activities). Telephone calls will not be acceptable. In-school suspension requires that a student complete all assignments during the period of suspension. Additional time in ISS may be given for failure to complete assignments in the ISS program. A student who disrupts the ISS program will be referred to the appropriate building administrator and the student will complete the assigned suspension out-of-school; he/she will not be allowed to return to regular classes until suspension is completed in its entirety. A student withdrawing from school while under suspension will be required to complete the suspension before being permitted to return to class.

For in-school suspensions and out-of-school suspensions for nine (9) days or less, the student may appeal to the principal and then to the Student Services administrator for a hearing. For out-of-school suspensions of ten (10) days or more, the student may appeal to the superintendent. The student may petition the Board of Education to review the decision made by the superintendent. The Board, at its discretion, may elect to review the record, to affirm or reverse the superintendent's decision, or to hold a hearing on the matter.

EXPULSION is the total exclusion of the student from participation in or attendance at any school-related activity. Appeals may be made to the Board of Education. A student who has been expelled from the Biloxi Public Schools must apply in writing to the Board of Education for possible readmission.

Repeated patterns of misbehavior may require counseling and parental involvement and assistance to the extent that the parent may be requested to come to school and attend classes with the student in order to identify and correct such behavioral patterns.

Under the Mississippi School Safety Act of 2001, a student who is deemed habitually disruptive as defined by law shall be subject to automatic expulsion. (See specific references in district policy manual.)

EXPELLED STUDENTS - STUDENTS NOT ATTENDING SCHOOLS - EXCLUSION FROM SCHOOL PROPERTY

Students who have been expelled from this or other school districts or former students who are not attending school(s) in this or other school districts shall not be on any campus of the Biloxi Public School District or enter any school property except on school business which is specifically authorized by the building administrator, with the individual required to report to the school office for written permission. Such students are specifically prohibited from having any unauthorized contact with members of the school staff or students attending the Biloxi schools, using abusive, obscene, or profane language, and/or violating any local and state prohibition in regard to drug or alcohol possession or use, possession of weapons, or other misbehavior. If these students or former students are found on the campus of any Biloxi school, police will be called and charges will be filed.

VIDEO SURVEILLANCE

The Board authorizes the use of surveillance cameras on district property, on school buses and in classrooms, and on district campuses.

Because of the Family Educational Rights and Privacy Act and confidentiality, only authorized school personnel or law enforcement officials shall be permitted to view surveillance records.

Video cameras may be used in locations as deemed appropriate by the administration.

The school is not responsible for loss of valuables or personal items that students may bring to school. Should a loss occur, administrative time will not be used to investigate video records.

ASSERTIVE DISCIPLINE PROGRAM

The discipline program which will govern student behavior includes the following list of disruptions of the instructional program, together with the consequences which will follow. The student who engages in the type of misbehavior listed under disruptions will be placed on the appropriate step in the discipline ladder, with the consequences clearly listed.

All disruptions/discipline problems and consequences shall be applicable to all students during all periods of time they are under and subject to the jurisdiction of the Board of Education of this school district as defined by the laws of the State of Mississippi and/or while they are participating in or going to or from any activity sponsored by this school district and/or while under the supervision and direction of any teacher, principal, or other authority of this school district.

If the parent does not attend the series of classes, he shall be guilty of a misdemeanor and, upon conviction, shall be fined not to exceed Two Hundred Fifty Dollars (\$250.00). MS Code Section 37-11-53

SCHOOL SAFETY ACT

In accordance with the Mississippi School Safety Act of 2001 (Section 37-11-53, MS Code of 1972, amended), the following policies shall be in effect in the Biloxi Public School District:

- (a) A parent, guardian or custodian of a compulsory-school-age child enrolled in the school district shall be responsible financially for his/her minor child's destructive acts against school property or persons; (b) a parent, guardian or custodian of a compulsory-school-age child enrolled in the district may be requested to appear at school by the school attendance officer or an appropriate school official for a conference regarding acts of the child specified in (a) above or for any other discipline conference regarding the acts of the child; (c) any parent, guardian or custodian of a compulsory-school-age child enrolled in a school district who refuses or willfully fails to attend such discipline conference specified in (b) above may be summoned by proper notification by the Superintendent of Schools or the school attendance officer and be required to attend such discipline conferences.

- The School District's discipline plan may provide that as an alternative to suspension, a student may remain in school by having the parent, guardian or custodian, with the consent of the student's teacher or teachers, attend class with the student for a period of time specifically agreed upon by the reporting teacher and school principal. If the parent, guardian or custodian does not agree to attend class with the student or fails to attend class with the student, the student shall be suspended in accordance with the code of student conduct and discipline policies of the school district.

Children 13 and Older

The school principal, reporting teacher and student's parent/guardian shall create a written behavior modification plan for any child who for the second time causes a disruption in the classroom which seriously interferes with the teacher's ability to communicate with the students in a classroom, with students' ability to learn, or with the operation of a school or school-related activity. The creation of this plan is not required for disruptions which are violations of law or offenses which amount to a Step 6-7 offense. If the child fails to follow the behavior modification plan, he/she may be deemed "habitually disruptive" and recommended for

expulsion. The superintendent of schools and the principal of a school shall have the power to suspend a pupil for good cause, including misconduct in the school or on school property, as defined in Section 37-11-29, on the road to and from school, or at any school-related activity or event, or for conduct occurring on property other than school property or other than a school-related activity or event when such conduct by a pupil, in the determination of the superintendent or principal, renders that pupil's presence in the classroom a disruption to the educational environment of the school or a detriment to the best interest and welfare of the pupils and teacher of such class as a whole, or for any reason for which such pupil might be suspended, dismissed or expelled by the school board under state or federal law or any rule, regulation or policy of the local school district.

SCHOOL BUS DISCIPLINE

The privilege of riding a school bus carries with it some responsibilities on the part of the student. Drivers are expected to keep order and discipline on the bus, but their major responsibility has to be driving the bus. Therefore, students are expected to cooperate with the regulations.

School buses and bus stops are assigned to qualifying students. No bus passes are given to permit deviation from the assigned bus. (Transportation Director, 436-5140)

Any act which places the safety of the students on the bus at risk will be referred to the principal for appropriate action.

Student behavior may be monitored on a random basis through video recording equipment installed on district buses. Students found to be continually disruptive or threatening to the safety of other students will be immediately removed from the bus and will be suspended from bus transportation.

INTERFERENCE WITH SCHOOL BUSES

It is unlawful for any individual other than a member of the public school administration or faculty or a law enforcement official to interfere in any way with the operation of a school bus. State law prohibits unauthorized boarding of school buses or interference with passenger boarding or leaving, under penalties of fine and/or imprisonment.

NATHAN'S LAW, SENATE BILL 2472

Nathan's Law increases penalties for driving illegally past a stopped school bus. The legislation was named for Nathan Key, a 5-year-old who was killed in December 2009 when a vehicle illegally passed his school bus as he was unloading.

The first conviction for illegally passing a stopped school bus shall result in a fine of at least \$350 and as much as \$750 or a jail sentence of up to one year. The fine for a second offense, occurring within a five-year window, increases to between \$750 and \$1,500, another jail sentence of up to a year and loss of driving privileges for 90 days. The latter penalty also applies to any motorists convicted of injuring a child while illegally passing a stopped school bus.

Nathan's Law also carries with it a charge of felony assault and a prison sentence of up to 20 years for motorists convicted of illegally passing a school bus that, in the process, results in injury or death.

- Motorists must stop at least 10 feet from a school bus when the bus is loading or unloading children, and motorists must not proceed until all children have crossed the street to or from the school bus and the flashing red lights are no longer activated and the stop sign on the side of the bus is retracted.
- Motorists must stop for school buses loading and unloading students on highways of four lanes or more, regardless if there is a center median or turn lane.
- School bus drivers are prohibited from using cell phones, wireless communication devices, vehicle navigation systems or "personal digital assistants" while operating the bus, except in an emergency.

STAFF PROTECTION

A person guilty of simple assault, as defined by statute, upon a superintendent, principal, teacher or other instructional personnel, school attendance officer, school bus driver, or other individuals specified in state law while these individuals are acting within the scope of their duty, office, or employment shall be punished by a fine of not more than one-thousand dollars (\$1,000) or by imprisonment for not more than five (5) years or both. (Section 97-3-7, Mississippi Code, amended)

A person guilty of aggravated assault, as defined by statute, upon an individual named above shall be punished by a fine of not more than five-thousand dollars (\$5,000) or by imprisonment for not more than thirty (30) years or both. (Section 97-3-7, Mississippi Code, amended)

BACK PACKS/BOOK BAGS 6-12

Book bags/back packs are permitted.

POSSESSION/USE OF LASER ITEMS

No student attending any school in the Biloxi Public School District shall be permitted to use or carry upon his/her person or in any other manner laser pointers, laser key chains, or any other laser items. Failure to comply will result in the student's being placed on the discipline ladder.

ITEMS CONFISCATED

Cell phones or any other items recovered during a criminal investigation will be retained as evidence by law enforcement and held until the appropriate courts render a decision.

POSSESSION OR USE OF CELL PHONES AND/OR ELECTRONIC DEVICES

Electronic devices brought to school are the responsibility of the students. All personal property brought to school is an understood risk.

Cell phones or electronic devices are to be used appropriately throughout the school day. Classroom disruptions involving an electronic device will result in the student's placement on the discipline ladder as in any other classroom disruption.

Electronic devices used to violate district policy, state regulation, and federal regulations in such ways as sexting, bullying, sending or receiving inappropriate photographs, dishonest academic practices, or any other illegal uses may be subject to confiscation. Items that are confiscated as a result of violation of the policy will be secured by the administration until released to the student's parent/guardian by a school administrator. Failure to comply will result in the student's placement on the discipline ladder in addition to confiscating the device. There shall be no exceptions (Policy JGJ).

Earbuds should be used for instructional purposes as directed by the instructional staff.

POSSESSION OR USE OF TOBACCO

Possession or use of tobacco in any form including e-cigarettes is prohibited within the school buildings, on the school campus, going to or from school, at school-sponsored activities, or in the general vicinity of the school campus. Students possessing or using tobacco in any form at school will be issued a citation and assessed a fine by the City Court system.

State law mandates that no person under eighteen (18) years of age shall purchase any tobacco product. No student of any high school, junior high school or elementary school shall possess tobacco on any educational property as defined by state law.

VISITORS ON CAMPUS - GRADES 6-8

All visitors entering the campus will check in with the school authority.

DRESS AND GROOMING CODE - PHILOSOPHY

Dress and grooming codes are based upon certain sound foundations, not just arbitrarily selected and dictatorially enforced for no cause. Laws surrounding indecent exposure, conditions necessitating safety and personal well being, health and sanitation are some of the basic fundamentals. Conditions conducive to learning must not be impaired because of temporary and individualized fads. In order for students to be able to cope with even larger restrictions and responsibilities, they must learn while still in school to observe basic regulations set forth for the group as a whole. Keeping this total concept in mind and realizing a need to satisfy peer group desires for current fashions, the Board will make an effort periodically to restructure the dress and grooming code according to current conditions.

SCHOOL DRESS CODE – K-12

Clothing and other items that students wear to school must not disrupt the educational process nor create any form of school disturbance. In addition, but not limited to the list below, the student must follow these guidelines:

- Students will be required to wear clothing as garments are intended to be worn.
- Length of shorts, skirts and dresses must be school appropriate and non-revealing.
- Leggings/tights may be worn with shorts, skirts, or tops that are school appropriate and non-revealing.
- Safe and appropriate footwear must be worn at all times.
- Appropriate undergarments must be worn and not seen.
- Girls are to wear tops that cover their midriff while standing, sitting, or when hands are raised above their heads.
- Pants or shorts must be worn at waistline with no exposure of undergarments.

Inappropriate items include:

- Any items symbolic of gang attire.
- Clothing with logos or wording promoting/referring to alcohol, tobacco, or drugs.
- Clothing containing slogans or logos depicting vandalism, bigotry, violence, sexual connotations, suicide, fraternities, sororities, secret organizations, or those with double meaning.
- Any top that is revealing. Examples are tank tops, cut-off tops, tube tops, halter tops, racer-back tops, bathing suits, sports bras, or midriffs, muscle shirts, low cut tops, spaghetti straps, etc.
- Spiked accessories and chains are prohibited.
- Clothing with holes, cuts, or tears revealing inappropriate areas of the body.
- Hats, caps, bandannas, do-rags, visors, sunglasses, "hoodies," or other headwear.
- Pajamas, house slippers, bathrobes, blankets, etc.
- Metal picks

In all instances, the appropriateness or inappropriateness of school dress or appearance will be determined by school administrators, considering the style or manner in which the clothing is worn or its fit.

Students who are dressed inappropriately will be required to call parents to bring a change of clothes that conforms to the dress code.

STUDENT ACTIVITIES

When required, students participating in extra- and co-curricular activities must have on file at the school written parent consent and liability waiver forms. In order to participate in any extra- or co-curricular activity, the student must attend school for at least four class periods on the day of the scheduled activity.

In determining eligibility for tryouts and participation in student activities requiring at least minimum grade averages for semesters and terms, grades will be weighted in accordance with the formula explained under "Class Rankings."

No student in the Biloxi Public School District shall be retained at any grade level for the purpose of extending eligibility for participating in athletics or any other school activity.

UNIFORMS

Any student attending the Biloxi Public Schools who shall be required to wear or who shall choose to wear a uniform or other type of dress because of his/her participation in a school activity, which dress is clearly and readily identifiable with the Biloxi Public School District, whether the uniform or other type dress is provided to the student by the school system or whether the student provides the uniform shall be expected to conduct himself/herself while in such uniform, at all times, in a manner acceptable to the school system.

This behavior is required whether or not the student is under the direct supervision of the school and/or its personnel and whether or not the student is on school premises or at an official school function.

It is the intent of the administration to inform such student that his/her participation in activities may be denied, terminated, or restricted as a result of behavior determined to be unbecoming or unacceptable to the school administration and/or Board of Education while the student is wearing a uniform identifiable with the Biloxi Public School District.

Uniforms provided for school activities shall be maintained in good condition and returned clean and will remain the property of the school district. Such uniforms which are damaged shall be paid for in full by the student's parent/guardian.

The suspension from participation in extracurricular or athletic activities may not be removed until the student's cumulative grade point average in a succeeding semester is 2.0 or higher on a 4.0 scale. A student with a cumulative grade point average below a 2.0 on a 4.0 scale at the semester of an academic school year shall be suspended from participation in extracurricular or athletic activities in the succeeding academic school year until the student's cumulative grade point average is 2.0 on a 4.0 scale.

The selection and participation in the extracurricular activities of cheerleader, drum major, color guard member, dance team member, student body officer, Student Council officer or representative, and class officer are privileges rather than rights afforded to individual students. It is the administration's intent to apply stringent rules upon those who may be eligible for try-outs and elections as well as to apply those rules during the period of continued participation of such students. With privileges goes responsibility. Those who are selected are representatives of the entire student body and are expected to conduct themselves at all times to reflect favorably upon the Biloxi school system.

The following requirements for try-outs and elections, as well as the standards set for continuation as cheerleader, drum major, color guard member, dance team member, show choir member, student body officer, Student Council officer and representative, and class officer, shall apply equally to conduct during participation in school activities as well as all times outside and beyond the junior high school activity so long as the student may be identified as a representative of a student body of the Biloxi Public Schools.
