BHS Faculty
1979 - 1985

4" x 8"
Brick Paver
\$35.00

Anne Smith
BJHS
Class of 2003

Indians Unite!

The Biloxi Junior High PTA is taking an active leadership role in "***Bridging Our Past With Our Future***". As the new Biloxi High School moved into its state of the art facility, the three junior high schools combined and moved into the campus of the old Biloxi High School. We have a unique opportunity, and feel it is important, to preserve the history of this campus and the milestones of those before us, while carving a new beginning for our current students and those which follow.

This campus is rich with history and tradition that dates back for many generations. It is here, within this beautiful setting, nestled among the oak trees on historic Father Ryan Avenue, in which our futures will be built. We are planning a walkway in front of the school for all to enjoy, as we bridge generations for a lifetime.

We will use the funds from this endeavor to enhance educational opportunities and to serve our students and our faculty as they continue to excel.

Bricks that Bond

Bridging our past with our future gives you the opportunity to participate in this momentous project by providing educational enhancements, through the purchase of commemorative bricks. These bricks will be artfully set as a walkway to the front door of the BJHS former BHS. Bricks can be emblazoned with your name, your company or organization's name, or the name of a graduate, family member or friend.

Bricks that Bond is a rare opportunity to provide a life-long memorial at a minimal cost. That cost varies by the size of the brick, but in each case, the cost includes the brick, the engraving, and provides enhancements to our school. The walkway is scheduled for dedication in 2003. The past, present, and future of Biloxi Public Schools is at hand and you can be part of this exciting time!

Details and an order form are on the back of this flyer. If you have further questions, please contact Lynn O'Keefe at 388-4202.

For your convenience, additional order forms may be obtained by visiting - www.biloxischools.net.
