

**SAVE THE DATE.....NOV. 10
5:30 pm**

**IMPORTANT MEETING FOR ALL 8TH GRADE
STUDENTS AND THEIR PARENTS**

A representative from ACT in Atlanta will be at Biloxi Junior High School to explain your child's ACT Explore scores. This is a wonderful opportunity to get assistance in your child's educational planning. Suggestions for this year as well as opportunities for post secondary education will be discussed. Score reports will be based on the ACT Explore test taken in September by all 8th grade students. Every parent should attend.

In order to help you take advantage of this opportunity we are offering a light meal with school age child care. Please help us plan for your participation by returning this form to your child's Computer Discovery teacher, or email me using the district website:
