

**ALGEBRA 1****UNIT PLAN 1****Introduction to Algebra I**

Use the TI-82 calculator to compute order of operations.

Review additive inverse and absolute value.

Assign: wkst 1-4

Perform integer operations with the TI-82 calculator

Assign: wkst 1-5

Review reciprocal.

Use commutative, associative & identity properties to simplify algebraic expressions.

Assign: Worksheet # 1-16 all

TEST

Evaluate variable expressions including those with rational numbers

Assign: wkst 1-6 #5-18 and #23-38

QUIZ

(2.4) Add & Subtract Matrices

Assign: p 84 # 1 - 8 & # 10 - 18 even, 19,20

Multiply a Matrix by a Scalar Value

Use matrices to solve real-life problems.

p 84 # 21 -26 & P 94 # 59 -68

TEST
