10.	_____

## Using a Thesaurus

**OVERUSED WORDS** The following paragraph overuses the word *know*. Use the synonyms below from your Writer's Thesaurus to choose more exact words for *know*.

- recognize
- realize
- understand

Tyrell and his older brother have to make his mother (1) know that they are old enough to take the city bus alone. This Saturday, kids ride for free. Their mother does not (2) know why the boys want to ride the city bus. She thinks they will get lost. Many of their friends take the city bus. Janet and Pete even (3) know some of the bus drivers.
