

IMPORTANT NOTICE

Section 25-3-41, Mississippi Code of 1972, mandates that state officers and employees traveling on official business in their private automobiles will be reimbursed at the same rate allowable to federal employees using privately owned vehicles for official federal government travel.

The federal government has set the rate of reimbursement to .505 cents per mile, effective March 19, 2008. Accordingly, school district employees will be reimbursed at that same rate in compliance with Mississippi statutes.
