Art Room News

News & Announcements from Your Child's School Art Room

This fall, in the art room we will be working on collage, watercolor painting, drawing techniques, and value. Students will learn the basic fundamentals for using these materials and the famous artists who introduced them. I look forward to working with your children and am always impressed and amazed to see how they grow, change, and create over the course of the school year. I hope you enjoy all the masterpieces that the fall semester will bring!

“Creativity is inventing, experimenting, growing, taking risks, breaking rules, making mistakes, and having fun.” - Mary Lou Cook
