

## Biloxi Public Schools 2022-2023 Covid-19 Procedures

### ➤ Student – Procedures

- **Positive Cases / Isolation**
  - Biloxi Public Schools will follow CDC/MSDH guidance for isolation of positive cases of Covid-19.
    - 5-day isolation from the onset of symptoms.
    - May return Day 6 if fever free and symptoms are improving.
      - Must wear a mask Days 6-10.
- **Close Contact / Contact Tracing**
  - In accordance with CDC/MSDH guidance, Biloxi Public Schools will not contact trace.
- **Quarantine / Exposure**
  - In accordance with CDC/MSDH guidance, Biloxi Public Schools will not impose a quarantine period based on exposure.
- **Symptomatic Students**
  - Symptomatic students that are identified by the school nurse will be sent home and recommended for testing.
  - Parents that report a symptomatic student must provide medical documentation for absences to be excused.
