<p>This week is about types of transportation with wheels. Draw a picture of anything with wheels!</p>	<p>Today in a car or bus, look for all the words inside the vehicle. What do they say?</p>	<p>What are some tools a driver of a car uses for information?</p>	<p>Look for the letter T on this calendar. Underline all the words that begin with the letter T.</p>	<p>All vehicles on MS roads have a license plate. What information is on the plate?</p>	<p>What do we have to do to be safe in a car? Why is safety important?</p>	<p>Did you know that Chevron has a refinery in Mississippi?</p>
<p>This week is about trains. Imagine you are riding a train with friends. Act out your ride!</p>	<p>The driver of the train is the locomotive engineer. What is locomotive another word for?</p>	<p>What tools does a locomotive engineer use to drive?</p>	<p>What types of transportation begin with the letter T? Make a list!</p>	<p>What does the conductor use to know if the train is on schedule? Do you have a schedule?</p>	<p>Have you ever been on a train ride? Do you think you would like it? Why?</p>	<p>Trains ride on tracks. Make imaginary train tracks in your home to get around.</p>
<p>This week is all about water transportation. Paint outside with watercolors!</p>	<p>Look at a map of Mississippi. Where are some places you can ride a boat in Mississippi?</p>	<p>It's neat how big boats can float. But not everything floats. Try a sink or float test tonight in the bath!</p>	<p>Go for a letter T hunt in your home. How many objects begin with the letter T?</p>	<p>Using pipe cleaners, create different size boats with your caregiver. Compare sizes.</p>	<p>Members that work together on a ship are part of a crew. How do you work together with your friends?</p>	<p>Transportation is great, but sometimes you just need a good walk! Take a family walk today!</p>
