7 Have your child draw pictures about what you saw on your walk yesterday.	8 Most days are filled with routines. Document the time with your child today.	10 Write down all the names in your family with your child. Does anyone have a S in their name? 	11 Look at a clock with your child. What numbers can your child recognize?	12 Talk to your child about his or her day. What was the best part about the day? Share yours!	13 Remember to Spring Forward! Clocks move ahead one hour tonight! Jump like a spring!	
14 What are some songs about spring? Talk about spring is coming, soon!	15 Start a book log with your child. See if you can read 10 books this week!	16 What time does the sun rise and set today? 21 Have your child "read" you a book by telling a story based on the pictures.	22 Read the same book to your child tonight. How was the story the same or different?	23 Talk about today's weather. Is it hot, cold, sunny, or cloudy?	24 What would your name sound like if it began with the letter s?	25 How many days has it been spring? How many days are in Spring?
